**a) Safety and Security :** The security of the girls students in the college campus is strictly monitored by the development of a Security person. Our college is very sensitive to these issues. The whole campus is under the surveillance of almost 23 CCTV cameras and monitoring the regularity. Some cases related to theft are solved with these cameras. The whole campus has a high boundary wall, in some part, additional protection by barbate wires are given. The teaching faculty is very sensitive towards safety related issues. Some problems are solved very efficiently by them. Attendance of students is strictly taken regularly and kept in record, thus the students are bound not to leave campus during the teaching schedule. For the safety of the students fire extinguishers are installed and kept in an alive form in the library and labs. Our college organizes the awareness campaigns on women safety and gender sensitivity through street plays, rallies and camps by NSS Students Volunteers.

**b) Counseling:**

Government Niranjan Kesharwani College, Kota has its unique way to give interpersonal informal counseling in one-on-one way to keep the confidentiality of the subject. We provide counseling under two broad areas: -

1. Health Counseling : We provide physical health counseling to students here for physical counseling. It is based on analysis of biochemical parameters. We send the sample to our associate pathology lab, then we provide counseling. Mostly, blood group, testing, obesity treatment, in creating immunity are organized with Red Cross and NSS Volunteers Students at the time for the same motto.

**2. Career Counseling :** We have a career and placement cell, after doing a degree course or PG Program. The cell also circulates notices related to the availability of jobs oriented programmes.

**c) Common Room :** We have a well furnished girls common room with all the facilities where students spend their leisure hours. Students use this room for completing their notes and discussion with each other. Students use it for their small celebration.

**d) Other relevant information:**

**I) Other Measure :** a) **Curriculum** – Curriculum is the expectations for what will be taught and what students will do in a program of study.

b) **Co-curricular activity** – Co-curricular refers to activities, programs, and learning experiences that complement, in some way, what students are learning in college i.e., experiences that are connected to or mirror the academic curriculum.

**II) Other Initiative :** Additional initiative ensures active participation of students in co-curricular activity including sports as it's a UG and PG students and also at intra faculty, inter faculty and inter university level and state level.
