ACHIEVEMENTS OF THE COLLEGE (2017-18)

Teaching and Learning :

○ **Admission**

The first year/semester admissions is done through online mode with the help of a dedicated portal for admissions of the affiliating Bilaspur university. The entire admission procedure is governed by admission committees, which are formed department wise for PG and year wise for UG. The admission process is guided by the notifications of the affiliating Bilaspur University and the Department of Higher Education, Chhattisgarh. For admission in Ph. D. programme, the parent university conducts common entrance tests as per UGC regulations; the selected candidates are referred to research centers. The DRC of the college conducts personal interview with power point presentation. All reservation rules laid down by state government are strictly followed.

All reservation rules laid down by the state government are strictly followed.

○ **Orientation Program**

The orientation programme is conducted after the admission process for the first year of UG and PG students, so that they can understand the semester system, internal tests/assignment/seminar system and examination system.

○ **Teaching and Learning Process**

The details of the academic calendar showing the academic activities of the session are provided by the department of higher education of state government/ university is displayed to the students through the notice board and also through the college website. The time-table of classes is prepared by the college committee and lesson plan in a subject/paper/unit is prepared by every faculty at the beginning of each session. The daily progress is also maintained in the form of a teaching diary and verified by the head of the department and then by the principal. The teaching process comprises: Classroom Learning, PowerPoint Presentation, Assignments, Seminars and Web based resources.

- A copy of the syllabus is maintained for students by each department. Outline of the course schedule and topics to be taught by the teacher, is provided to the student

prior to the commencement of classes. Students are evaluated regularly through internal tests, assignments and seminars.

- Learning is made more student-centric by encouraging them to prepare a detailed note/report on their seminar/ project topics and discuss their seminar topics/ project reports through power point presentation under the supervision of faculty members. Besides, workshops, group discussions, field study, participation in quiz, Poster and Model Presentation, participation in extension activities, etc are also included in the academic practices. The college has a rich, well equipped and automated library with INFLIBNET and internet facilities. Different departments have their own departmental libraries for PG students.

Examination System :

Details of various courses, syllabus, examination pattern and examination process are provided to the students at the time of admission through admission brochure and respective departments. The dates of internal exams, unit tests, assignments and seminars are declared well before through notice. The dates of UG and PG yearly examinations are declared by the affiliating Bilaspur University at least one month before the commencement of the examination.

Result:

Despite being situated in a scheduled area and catering to the needs of the socially underprivileged classes the college students perform very well in the yearly and semester examinations due to the constant monitoring and mentoring by the Result evaluation Cell under the aegis of IQAC of the college. In the last session approximately 60 % of graduate students and 80% of PG students were successful in the final year examinations.
